

HYDRAULIC WIRE ROPE AND CABLE CUTTER

A robust and portable range of dual purpose cutters for high tensile wire rope and cables, incorporating quick release jaws and toughened steel blades to shear in seconds. The fast double acting cylinder, fitted with quick release couplings, can be remotely operated by air, petrol, electric hydraulic or manual pump (operates at 10,000 lbs psi - 700 bar)

A
HH. 105 Double acting hand pump with 4 way valve hoses and couplings.

B
Model AH. 205 Air hydraulic power pack (details overleaf)

GENERAL DETAILS

MODEL NO.	CAPACITY	WEIGHT
MF 38	38mm dia.	26kg
MF 63	63mm dia.	65kg
MF90	90mm dia.	75kg
